

Fire Roasted Diced Tomatoes in Juice

Effective Date: January 14, 2015

Page 1 of 1 Page

STYLE DESCRIPTION

Fire roasted diced tomatoes in juice shall be prepared from vine ripened tomatoes that have been washed, hand sorted for quality and fire roasted over an open flame. Blackened peel around the cut edges and a distinct charred aroma give these diced tomatoes their exceptional fire roasted flavor and characteristic appearance. Topping juice made from fresh tomatoes is used as a packing medium. To enhance flavor and maintain quality, salt, citric acid and calcium chloride are added.
