

Unpeeled Apricot Halves In Extra Light Syrup *Sweetened with Sucrose*

STYLE DESCRIPTION

Choice unpeeled apricot halves in extra light syrup are sweetened with 100% sucrose (sugar). High fructose corn syrup and corn syrup are absent. Using a 100% sucrose based sweetener improves overall flavor, as subtle apricot flavors are enhanced by the absence of corn sweeteners. Additionally, calorie and carbohydrate levels are appreciably reduced as compared to the traditional heavy syrup pack.
