

## Canned Apples & Applesauce

Grown in the beautiful Northwest state of Washington our Canned Apples and Applesauce are picked at the peak of ripeness to ensure year-round availability and freshness.

### Appealing. Satisfying. Dependable.

The **Sysco Classic** brand family includes an extensive selection, from pantry staples and fresh and frozen foods to prepared products and hundreds of other options. Sysco Classic brings the quality businesses crave and the range of choices customers demand under one brand, and delivers them both to you! More value for the price, with quality equal to or better than other national and leading brands — that's Sysco Classic.

# Canned Apples & Applesauce

## Menu Idea

Substitute oil or butter in your baked goods with our classic Applesauce or use to adorn your desserts

## Menu Idea

Sweeten oatmeal, smoothies, parfaits and pies with our Canned Apples for a healthy addition

## Features & Benefits

- Our canning process locks in nutrients and also guarantees the apples are ready when you are
- Canned Sliced Apples in Water and Unsweetened Applesauce are free of sweeteners and contain only natural sugars
- Classic Apples are available in a selection of forms and packing mediums
- A delicious treat eaten by themselves
- Great addition to many desserts and dishes
- Applesauce can be used as a glaze for grilled foods and be used in place of butter and shortening for baked goods and sauces

**Quality is more than a promise. It's assured.** You can always rely on Sysco to deliver consistent quality with every order. That's because we have more than 100 QA professionals committed to maintaining the most stringent standards in terms of food quality, consistency and food safety. That's by far the largest and most active QA department in the industry.
