## **Canned Goodness**

- Canning process locks in nutrients & guarantees the apricots are ready when you are
- Apricots canned in Extra Light Syrup are sweetened with Sugar and High Fructose Corn Syrup has been eliminated
- These apricots have an excellent quality and are full of flavor
- With canned fruit the processing facility peels damaged fruits before canning, saving time, labor and increasing yields
- Apricots can also be blended and served in smoothies, protein shakes, and meal replacement shakes. They will sweeten any dish just enough in a healthy way
- They can also be used in making chutneys, sauces or blended and used in pace oils in dishes to reduce fats
