

PACIFIC COAST PRODUCERS

Simple Ingredients... Simply taste Better

Why do Royal Harvest Maraschino Cherries taste so good? It's simple. We hand pick our cherries at their peak for just-harvested freshness, then add simple ingredients. We only use non-GMO, Fairtrade cane sugar, natural flavors, fruit and vegetable concentrates for color, and heat pasteurized for food safety. Try them, we think you'll agree that natural ingredients simply taste better.
