RE: Partially Hydrogenated Oils (PHO) Compliance

To Our Valued Customer,

As you are aware, pursuant to the Federal Register Notice, 80 FR 34650, of June 17, 2015, titled "Final Determination Regarding Partially Hydrogenated Oils", with its determination that PHOs were no longer considered to be generally recognized as safe (GRAS).

This notice is to inform you that Pacific Coast Producers (PCP) does not supply any finished products that utilize PHOs.

Best Regards,
