

# 100% GROWN IN THE USA

At Pacific Coast Producers we grow and process our products right here in the USA. Grown on family farms in Oregon, Washington and California, these products include our canned goods: Tomatoes, Yellow Cling Peaches, Bartlett Pears, Apricots, Fruit Mixtures\*. And also our fruit bowls: Peaches, Fruit Mix and Bartlett Pears.

Our Bartlett Pears, Apples, Purple Plums and Cherries are grown and processed in the United States at the Yakima, Washington facility, from sound, raw materials in a sanitary operation, under good manufacturing practices for food.

Our tomatoes are grown in California where they make it from the field to the can in 5 hours and are steam peeled with our state-of-the-art equipment.

*When you purchase these products you support US owned Family Farms!*
