

CANNED TOMATOES 101

FOODSERVICE

WHOLE PEELED

Tomatoes are steam peeled* and packed in their own juice.

DICED

Tomatoes are peeled and diced into 1" pieces and packed in their own juice.

PETITE DICED

Tomatoes are peeled and diced into 3/8" pieces and packed in their own juice.

STEWED

As defined by the USDA, stewed tomatoes contain onions, peppers, and celery and tomatoes are cut into pinwheel slices.

CRUSHED

Tomatoes are crushed and topped with a puree creating a thicker, meaty tomato product.

SAUCE

Tomato Sauce contains a higher amount of solids creating its thicker texture and viscosity.

PASTE

As defined by the USDA, tomato paste contains at least 24% natural tomato soluble solids. It is made by straining the juice from ripe tomatoes to create its thick texture and consistency.
